RAWHIDE MESH also available

INDUSTRIAL MESH
3.50 ounces per square yard.

Industrial strength net bags used in commercial laundries can withstand high heat washers/dryers and industrial solvents. For standard strength polyester net bags, do not exceed recommended washing and drying instructions.

Colors: add 10%; sewn on identification flag: add \$4.50/dz.

Minimum order is three dozen of each size or color.
Quantity discounts available for orders over 12 dozen.
Also available with zipper closure – please inquire.
Also available with open top (no closure) – please inquire.

Call for free testing samples.

18" AND 25" LAUNDRY/HAMPER BAGS

Standard Ropeless

Flip Top Bag
18" or 25"

- Straight or round bottoms available
- Flip top features:
- Built in pocket handles at bottom
- Turn tabs under hood for easy closing
- Ropeless, flips closed just like a sandwich bag
- All stress points reinforced
- Elastic in hem

Standard Drawcord

Drawcord Bag
18" or 25"

- Drawcord features:
- Bags have drawcord and Sliplock closure
- Straight or round bottoms available

COTTON DUCK

100% natural cotton, strong and durable. Not pre-shrunk. Not recommended for wet linen. Will not rot or mildew if left wet. Color available: Natural. Color coded striping also available.

COTTON/POLYESTER BLEND

A combined fiber that provides the toughness of polyester and strength of cotton duck. Dries quicker than cotton duck. Not pre-shrunk. Colors available: Natural, Orange, Yellow, Burgundy, Red, Hunter Green, and Navy.

200 DENIER NYLON

100% nylon pre-shrunk—lightweight requiring minimal drying time. Colors available: Red, Pink, Navy Blue, Royal Blue, Powder Blue, Hunter Green, Kelly Green, Orange, Yellow, White, Black, Burgundy, and Purple. 400 denier nylon also available.

SPUN-FILAMENT POLYESTER

The blending together of spun and filament polyester yarns provides a durable, strong and non-slippery material. It is unaffected by chlorine and bleach. Highly resistant to rot, mildew and abrasion. Not pre-shrunk. A heavyweight alternative to nylon; non-absorbing. Color available: White.

BARRIER 100% POLYESTER FLUID RESISTANT LAUNDRY BAG

High density construction. Water repellent coating. Colors available: White, Yellow, Blue, Green. See pages 5-6.

IMPERVIOUS VINYL LAUNDRY BAGS

100% leakproof. Seamless bottom, electronically sealed side seams to prevent leakage. Colors available: White, Blue, Yellow, Green, Pink. See pages 5-6.

Fluid resistant bags are used to comply with OSHA's regulation which states: "Whenever contaminated laundry is wet and presents a reasonable likelihood of strike-through or leakage from the bag or container the laundry shall be placed and transported in bags or containers which prevent soak-through and leakage of fluids to the exterior."

Electronic sealing is a heat sealing process which will prevent liquids from leaking. This process is now done on all impervious vinyl laundry bags.

No representation is made that laundry bags will provide complete protection from exposure to contaminants or will eliminate the risk of contracting infectious diseases.

Don't see the laundry bag your facility currently uses? Send us a sample and we'll work up a money-saving quotation for you!

BED BUG & DUST MITE PROTECTION FOR MATTRESSES AND PILLOWS

BED BUGS . . . every day you read about them in the newspaper or watch a story about them on the nightly news . . . it's a growing epidemic across the country . . .

Latest Products is very pleased to announce our complete line of **bed bug protection!**

Our products are already in use by many prominent national hospitals, nursing homes, correctional facilities, hotels/motels, and colleges across the country.

Some of the features and benefits of our products are:

- Certified Bedbug Proof with the patented BugStop® Closure
- Waterproof
- Brushed silk finish
- Treated with an anti-microbial, which inhibits the growth of mold, mildew, fungi and odor causing bacteria
- Fire retardant
- Will not crack to -15°F
- Zippered covers (recommended for maximum protection) have rust-proof polyester zippers
- Electronically sealed seams
- Special sizes available upon request including 16" deep products
- Sold in case packs only

CART COVERS

Use on Linen Exchange Carts-Laundry Trucks to keep linen clean.

Use on Central Supply-Lab-Medicine Carts to ensure sterility.

Use on Bulk Delivery-Turnabout-Food Transport Carts
and any other cart which needs a cover.

Also ideal for covering shelving units and medical equipment.

Full Flaps, Reinforced Corners, Double Needle Construction
Choice of Heavy Duty Zippers or Velcro Closure

Choose from these materials:

200 Denier Nylon: 200 Denier nylon is a lightweight fabric used mostly in low impact applications such as storage and non-transporting carts. This fabric is both economical and consistent. Washable.

420 Denier Nylon: 420 Denier nylon is our most popular fabric for cart and shelving covers. This medium weight fabric is easy to handle, provides excellent durability, and represents a great value all around. Washable.

1000 Denier Nylon: 1000 Denier cordura nylon is used for the highest impact applications such as linen transportation carts. This rugged, heavy weight fabric is similar to that used for luggage and backpacks. Washable.

13 Ounce Reinforced Vinyl: 13 ounce vinyl fabric is most commonly used for industrial applications. This flame-retardant, OSHA approved medium weight fabric is easy to handle. Wipes clean.

#30 Easy-Grab Vinyl: Our Easy-Grab has revolutionized cart covers. With a slitted, see-through clear vinyl front, there is no need to lift a front flap. Just reach in and grab the cart or shelving unit contents such as linen, medicine or supplies. The replaceable vinyl slats wipe clean. The top, back and sides of the cover are made with your choice of 420 denier nylon, 13 ounce vinyl or #20 Staphcheck.

#20 Staphcheck: Staphcheck vinyl fabric is most commonly used in the health care industry. This is an anti-bacterial, flame-retardant, OSHA approved fabric. This medium weight fabric is easy to handle. Wipes clean.

#10 Gauge Clear See-Through Vinyl: Cover has a completely see-through front, back and sides. Wipes clean.

Compare Our Prices with Others!

Did you know that Latest Products Corporation is one of the nation's largest suppliers of cart covers and shelving covers? All of our covers are custom designed to your specifications. We use reinforced corners on all covers to withstand wear and tear, and utilize either reinforced Velcro or heavy duty zippers to provide a more secure closure.

For Sizes Not Listed, Please Ask for Quote.

More hamperstands shown on following pages.

POLYETHYLENE HAMPERSTAND WITH LID

This laundry Hamper-Host holds soiled linens, diapers, sheets, towels, gowns and other goods inside. It opens with an optional foot pedal for hands-free, no-contact access and its lid snaps shut. Any odors are sealed inside to prevent their escape into the air.

Hamper-Host shown open.

Hamper-Host shown closed.

The Hamper-Host stand is available in two sizes that fit either 18" or 25" laundry bags and your choice of 17 colors. The Hamper-Host stand is top-loading, with an integral lid so that bag and contents are completely enclosed for maximum protection and to meet Joint Commission infection control guidelines. The spring controlled lid closes gently to avoid airborne contamination. A front door allows no-lift removal of the full bag. Once the bag is filled, the outer shell is rotated to open the door. The Hamper-Host stand can be easily cleaned and sanitized with hot water. Units are shipped fully assembled. Two 3" wheels facilitate pushing or pulling. Lid opens and closes easily by hand or by using a foot pedal (priced below). The Hamper-Host is manufactured of 100% polyethylene.

17 colors available: Red, Brite Yellow, Brilliant Orange, Jade Green, Honey Gold, Powder Blue, Metallic Silver, Pink, Wine, Cadet Blue, Royal Blue, Purple, Beige, Brown, Black, Lime Green, Forest Green

Hamper-Host Model Number	Dimensions	Laundry Bag Size	Max. Capacity	1	2-3	4-5	6 or more
03H18	18" Diameter x 30½" deep x 34" overall height	18"	26¼ gallons	\$340	\$330	\$320	\$315
04H25	22½" Diameter x 30½" deep x 34" overall height	25"	45 gallons	370	360	350	345

Since Hamper-Hosts are molded to your specific color selection and are not returnable, it is very important that you determine which size you need. #03H18 holds an 18" diameter linen bag (30" x 40" flat measure) or holds a 44 gallon polybag. #04H25 holds a 25" diameter linen bag (40" x 40" flat measure) or a 55 gallon polybag.

POLYETHYLENE HAMPERSTAND WITH FOOT PEDAL

- Foot pedal as an added convenience.
- No need to touch lid for opening.
- Sizes, colors and features as shown above.

F03H18 (for 18" bag)				F04H25 (for 25" bag)

STAINLESS STEEL MRI-ROOM HAMPERSTANDS

MRI-Room hamperstands are designed to be safely used near MRI equipment. These hamperstands have a round tubular ring that is seamlessly welded to three legs. A solid, round platform on the bottom acts as a bracing and protects the hamper bag from contact with the floor. A reinforced, dome-shaped lid of high-density, white polyethylene (model 7772MR-PL) is recommended to control airborne pathogens. All hamperstands move easily over floors on 2" MRI-safe swivel casters. Uses 18" laundry bags.

Model Number	Shipping Weight (lbs.)	Lid	Dimensions (overall)	1	2-3	4-5	6 or more
7772MR	20	None	20" Diameter x 35" Height	\$490	\$480	\$460	\$450
7772MR-PL	40	Plastic	22" Diameter x 36½" Height	690	680	660	650

For our full line of laundry bags see pages 3, 4, 5, 6.

We carry a complete line of MRI-Room products, please contact us for details.

POLYETHYLENE MOBILE CART

Ideal for Contaminated Linen

A rugged, virtually unbreakable mobile cart that's just the right size for easy handling in dozens of uses.

- Dozens of uses including industrial, commercial, restaurants, hotels, hospitals, retirement homes.
- Constructed of polyethylene, molded container with attached poly cover.
- Easy to remove from rustproof, galvanized steel dolly for cleaning.

We can put 2 or 3 or 4 units on a common base.

Big Tiger

Complete with four 2" diameter casters. **Inside dimensions:** Length 18" x 16 1/2" wide x 32" deep. **Outside dimensions:** Length 22" x 19 1/2" wide x 36" high overall including dolly. **Approximate weight:** 22 1/2 lbs. Holds approximately 4 3/4 bushels or 300 lbs of liquid or 36 gallons.

Lil' Tiger

Complete with four 2" diameter casters. **Inside dimensions:** Length 18" x 10" wide x 32" deep. **Outside dimensions:** Length 22" x 13 1/4" wide x 36" high overall including dolly. **Approximate weight:** 17 lbs. Holds approximately 2 2/3 bushels or 150 lbs of liquid or 18 gallons.

Big Tiger

638 DBC with attached polyethylene cover
638 DB without cover

	1	2-3	4 or more
# 638 DBC with attached polyethylene cover	\$235.00	\$225.00	\$220.00
# 638 DB without cover	175.00	165.00	160.00

Lil' Tiger

633 DBC with attached polyethylene cover
633 DB without cover

# 633 DBC with attached polyethylene cover	\$195.00	\$185.00	\$180.00
# 633 DB without cover	145.00	135.00	130.00

For 3" diameter casters (add 1" to height) — add \$10.00 per cart.

Custom Embroidered Heat-Sealable Emblem Patches

Use on uniform sleeves or pockets to identify institution, department or name. Available in sizes from 2" to 16". Colorfast threads, borders are merrowed (spun thread) or stitched and laser cut. Up to 7 thread colors available. Available with standard plastic backing for sewing or heat sealable adhesive backing.

To obtain immediate pricing, please call, mail, email or fax us:

1. Sketch indicating size and text copy
2. Color or colors
3. Quantity
4. Border (merrowed or stitched and laser cut)
5. Backing (standard plastic or heat sealable adhesive)

Used by hospitals, nursing homes and institutions nationwide.

Alternative to Costly Marking Systems!

Inexpensively Mark Residents' Personal Clothing,
Doctors' Coats, Lab Coats, etc.

ELIMINATE REPETITIVE PEN MARKING BY HAND!

Use this system by itself or in conjunction with heat seal machines (pages 24 and 25) and heat seal label tape (page 23).

Each kit consists of:

- One 14-band, wheel-operated Rubber Stamp enabling you to print any name up to 14 letters per name (each band has 26 letters—numbers also available upon request)
- One two ounce bottle of indelible laundry marking ink
- One stamp pad

\$199⁰⁰

Example: JOHN SMITH

Turn the first band to "J", the second band to "O", third band to "H", the fourth band to "N" and so on.

Fluid Protective Heat-Sealable Patching Material

(Must be applied with heat-sealing machines.)

Fluid Protective Medical Barrier

**Designed for Garments Made of Resistat, Compel and Blockade Fabrics.
Extend the Life of Laundry Bags and Linens, Labcoats and Surgical Gowns.**

Laundry Directors and Administrators will appreciate that at long last there is no need to discard or replace costly laundry bags, linens, labcoats, or surgical gowns. By using Maxima Patches, available in pre-cut sizes or on rolls, you can repair tears and imperfections and extend the life of your garments/laundry and linen. Maxima, our fluid protective medical barrier fabric is 100% polyester, OSHA mandated and approved medical barrier to protect against body fluids and blood borne pathogens.

HEAT SEALING MACHINES

Introducing a full line of heat seal machines.

The DK8 label press is a 6x8 small platen heat press.

It is a heavy duty clamshell design, for label printing and small transfer and applique sealing. If your image area is less than 8 inches and you need to isolate an area of garment or bag, the tall pedestal on the DK8 allows for precise location. Pockets, collars, socks, sleeves and similar areas are easy to press without flattening parts of the garment that should not be pressed. The included interchangeable tables allow for isolation of the pressing area down to 3x3 inches.

Features:

- Fully digital temperature control: 32° - 600°F range
- Automatic digital timer and dual pre-press timer
- 70 programmable presets
- Hardened high-strength pivot points
- Solid steel framework
- 6x8, 3x5, 3x3 interchangeable tables included
- Temperature readout accuracy +/- 2° F; can show °C or °F
- Self lifting gas-spring, and wide opening
- User selectable end-of-cycle alarms
- Records number of pressing cycles done
- Teflon-coated 3/4" thick heat platen
- Lifetime warranty on heat platen
- 3-year warranty on control
- 1-year warranty on entire press

Weight: 65 Lbs.
Electrical: 600W / 5A / 110V
Dimensions: 19"L x 12"W x 18"H

DK8 6x8 Label Press Clamshell

Price: \$650.00

DC8 Heavy Duty Swing Away Heat Press

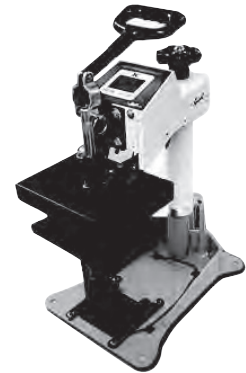

This unit has a swing away top to allow for easy placement of garments on bottom platen. Suited for label printing, applying labels to garments, embroidered patches and all small pressing needs.

Features:

- Fully digital temperature control: 32° - 600°F range
- Automatic digital timer and dual pre-press timer
- Digital pressure bar graph
- Interchangeable heat platens and tables
- Solid steel welded framework
- Super Coil-Microwinding™ heater technology
- Temperature readout accuracy +/- 2° F; can show °C or °F
- Accomodates materials up to 1" thick
- 70 programmable presets
- Records number of pressing cycles done
- Teflon-coated 3/4" thick heat platen
- Lifetime warranty on heat platen
- 3-year warranty on control
- 1-year warranty on entire press

Weight: 110 Lbs.
Electrical: 1500W / 12A / 120V
Dimensions: 23"L x 23"W x 23"H

Price: \$1,195.00
(add \$35.00 for 220V international)

DC8 Manual Swing-Away

The DC8AP is an air operated automatic swing-away heat press.

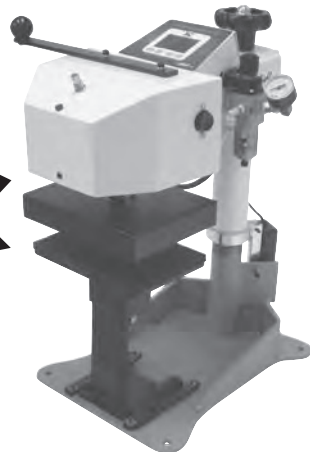

The DC8AP is an air operated, automatic 6x8 label sized swing-away heat press with optional interchangeable heat platens and tables. The smooth automatic pressing and push button activation provide a productive fatigue-free operation. Ideally suited for label printing, applying labels to garments, embroidered patches and any small pressing needs.

Also available are optional configurations for the DC8AP. This press functions well with bottom heat for pressing thicker embroidered patches/appliques and other products needing heat from the back side of the material.

Features:

- Total applied force of 800 lbs. maximum
- Air regulator and gauge 20-100 psi range (compressor required).
- Automatic air operated pressing
- And all other features as listed above

Price: \$2,250.00
(add \$35.00 for 220V international)

Weight: 110 Lbs.
Electrical: 600W / 5A / 120V
Dimensions: 23"L x 23"W x 23"H

DC8AP Air Operated Automatic 6'x8' Swing-Away

Many other sizes, models and accessories available - please inquire.

We support any of our discontinued machines with parts and service.

MANUAL HEAT-SEAL MACHINES

Used for applying transfers, heat sealable patches and repairing garments.

LPC #10
Manual Top Heat Seal Machine
\$525.00

- 13" x 8" x 14" overall size.
- 4" x 6" heating surface.
- Stainless steel base.
- On and off switch.
- Pilot light.
- Adjustable thermostat.
- Digital timer.
- 400 Watts.
- 4 Amp, 60 cycle, 110 Volt AC.
- Weighs only 25 lbs.

Economy line for low to moderate use.

LPC #2-HH
Manual Top and Bottom Heat Seal Machine
\$695.00

- 13" x 8" x 14" overall size.
- 4" x 6" heating surface.
- 800 Watts, 60 cycle, 110 Volt AC, 8 amp.
- Top and bottom heat with heat indicators.
- Adjustable thermostats.
- Digital timer, heat gauge.
- Pressure control is preset for all specific needs.
- Non-skid rubber feet.
- Requires no air to operate.
- Completely portable unit.
- Weighs only 26 lbs.

COMPACT HEAT-SEAL MACHINES

For moderate and frequent use.

LPC 25-HS3E
\$1,189.00

Manually open at the end of press cycle.

Featuring:

- Press head size 3.75" x 4.75"
- Digital readouts and controls
- Energy saving feature (Sleep Mode)
- Meets CE & GS Standards
- No compressed air required
- Heats up in less than 5 minutes
- Compact and lightweight
- Adjustable pressure

LPC 35-HS4E
\$1,469.00

Automatically opens at the end of press cycle.

**How Directors of Laundry/Linen
Reduce Theft and Loss of Valuable Property:**

HEAT DYE TRANSFERS Kaumographs to Mark Linen and Gowns

This is the easiest, most inexpensive method of marking and identifying linen and garments. Our **HEAT DYE TRANSFERS** are easily applied with 3 to 5 seconds of heat from any heat sealing machine. Once applied, they will withstand multiple launderings and deter pilferage greatly.

We can supply you with the logo and message you want, in the shape, color and wording of your choice.

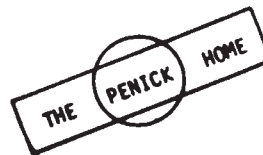

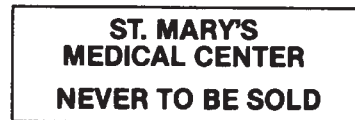

Call for free testing samples.

Pricing is per square inch of transfer. To find square inches, please multiply length and width of your design or transfer.

PRICE PER THOUSAND					
Square Inches	10,000	25,000	50,000	100,000	Initial Orders Cost of Engraving
For transfers smaller than 6 square inches, use the 6 square inch pricing.					
6	\$26.00	\$25.85	\$25.75	\$25.50	\$120.00
7	27.00	26.85	26.75	26.50	125.00
8	28.00	27.85	27.75	27.50	130.00
9	29.00	28.85	28.75	28.50	135.00
10	31.00	30.85	30.75	30.50	140.00
11	34.00	33.85	33.75	33.50	145.00
12	36.00	35.85	35.75	35.50	150.00
14	40.00	39.85	39.75	39.50	155.00
16	42.00	41.85	41.75	41.50	170.00
18	45.00	44.85	44.75	44.50	185.00
20	47.00	46.85	46.75	46.50	220.00

We can supply printed or embroidered labels, names, titles, departments, etc. Refer to page 22.

Engraving plates are kept for 2 years. If transfers are not reordered within 2 years, a new engraving charge may apply.

We can make transfers up to 7 1/2" x 7 1/2"

For sizes of two to five square inches, use prices of six inch column.

COLORS: black, blue, green, red, white and others. Note: black will be supplied unless otherwise requested.

For two color transfers, double the per thousand transfer cost and double the engraving cost.

Engraving cost charged on first order only.

Heat Dye Transfers are put up on continuous roll form. If sheeting (individual cut) is desired, add \$5.00 per thousand to cost of transfers.

Application of Heat Dye Transfers: 3 to 5 seconds, 350-400 degrees heat. Maximum pressure.

Samples of Heat Dye Transfers available upon request.

LINEN DELIVERY TRUCKS TO DELIVER CLEAN LINEN AND PICK UP SOILED LINEN

Our 90P series bulk linen trucks feature a novel roundtrip design that enables hospitals, nursing homes, commercial laundries, and laundry service companies to use the same cart for delivering finished, folded goods and for picking up and returning soiled linens. The 90P comes with a choice of wire or plastic horizontal shelves that after delivery, one person can easily slide into a vertical position for use as a bulk laundry cart.

Choose from Traditional Wire or Plastic Shelves.

90P Roundtripper Open Top with Removable Shelves

Pricing: 90P/W Truck with 2 Wire Shelves \$925.00
90P/P Truck with 2 Plastic Shelves \$925.00

Both Models Available In Recycled Polymer \$825.00

Options: Additional Wire Shelf (2 included) Add \$100.00
Hinged 2 Wire Shelves Add \$125.00
Hinged 3 Wire Shelves Add \$135.00
Recessed Handles Add \$ 30.00
Card Holder Add \$ 30.00

When ordering, please specify wire or plastic shelves, metal or plastic base.
Please see bottom of page for available colors.

Model 90PSL

BULK LINEN ROUNDTRIPPER TRUCKS WITH KEY LOCKABLE DOORS AND OPENING TOP

Provide safe transport! Discourage pilferage!
Ideal for hotels, spas, resorts, lodges and healthcare facilities.

- Two repositionable shelves slide easily from horizontal to vertical positions to convert from clean linen delivery to soiled return.
- Doors close and lock with shelves in either position.
- Recessed, molded-in handles are placed inside the swiveling end for easy, safe movement.
- Open doors swing 270 degrees and snap into sides of cart to maintain sleek profile and fit into tight spaces.
- Double-wall, molded doors with high-grade stainless steel latch and security lock safeguard goods.
- Split hinged top opens for ergonomic access to linens, seals shut and locks for over the road transport and security.
- Double wall construction withstands repeated use.
- Industrial grade 6" casters withstand constant, punishing operation.
- New all-plastic base accommodates 600 lbs. without crumpling, cracking or deteriorating. Can be used in automatic cart washers.
- Choose new plastic or rust-resistant powder-coated steel base.

*For color selection please see below.

Please specify casters: 4 swivel or 2 swivel/2 rigid.

HEAVY DUTY ROUNDTRIPPER TRUCK

The new 100P bulk linen truck features an internal rib design and steel-top ring that nearly doubles the strength, structural integrity and load bearing capacity of the cart.

- Handles overloads to 700 lbs. – even above the upper rim of the cart.
- Smart design and sturdy shelves prevents shelf collapse.

Choose non-removable wire shelves for one-way use or repositionable plastic shelves (please specify—same price) for round-trip use. Made of durable polyethylene – comes with industrial grade 6" casters. Durable body on either plastic base or powder-coated full perimeter steel base.

Please specify. Same dimensions as 90PSL (above).

*For color selection please see below.

Please specify casters: 4 swivel or 2 swivel/2 rigid.

Recessed Tow Hitch Available with Steel Base – Add \$40

Model 100P \$1,050.00 per cart

Model 100P

Two plastic shelves included; shelves shown positioned to collect dirty linen. Open top.

ECONOMY CONVERTIBLE ROUNDTRIPPER SHELF TRUCKS

Your Choice of Removable or Permanently Hinged Wire Shelves. Open Top.
Avoid Lost or Misplaced Loose Shelves by Using Permanently Hinged Shelves.

Please specify casters: A (4 swivel) or B (2 swivel/2 rigid). For color selection see below.

Model	Removable Shelves		Hinged Shelves Add	Capacity		Outside		Depth	Overall Height	Casters	
	*Virgin Polymer	Recycled Polymer		Cu. Ft.	Bu.	Length	Width			Arrangement	Data

95P	1,030	945	75	49	40	60	28 1/2	60	70	A, B	8-in. Rubber

Handles: \$25 each. Card Holder: \$25.00. Cart covers – see pages 10 - 11.

*Colors available: Pink, Wine, Red, Powder Blue, Cadet Blue, Royal Blue, Purple, Brite Lemon, Brilliant Orange, Beige, Chocolate Brown, Black, Lime Green, Jade Green, Forest Green, Honey Gold, Metallic Silver (Gray)

When ordering any of the above items, please specify if you want hand holes and/or drain holes.

SECURITY BULK DELIVERY/PICK-UP TRUCK

Ideal for Delivering Clean Linen and Pick-Up of Soiled Linen or Other Waste

Our newest security bulk delivery/pick-up truck, the **72S/SSL6** with rounded corners and larger inner ribs, combined with a recessed front door and top lid is especially suited for commercial laundries. This new ergonomically designed model has superior strength, durability, versatility, and security. It has an all new lockable, rotationally molded roof and front cover to prevent theft. The cart is leakproof so it may be transported and left outside. Ideal for commercial laundries, hospitals, nursing homes, resorts, health clubs, and the food industry.

Additional features are:

- Ergonomic cutaway design speeds loading and unloading
- Durable lid closure secures goods during transport and storage
- Rugged polyethylene construction resists bumps, scratches and scrapes
- Rotationally molded, full-perimeter, weatherproof poly base for strength and long life
- Large selection of industrial grade casters and arrangements (6" rubber standard)
- Optional tow hitches, brakes, hand holds are available
- 48 cubic foot capacity; 34 bushel capacity; 48" L x 28 1/2" W x 59" Deep x 66 1/2" Overall Height

Item #**72S/SSL6** with front door and split top lid (hinged in center) **\$955**

Also available with NO front door and NO lid, model #**72S** **\$650**

Please specify 4 swivel 6" casters (arrangement A) or 2 swivel/2 rigid 6" casters (arrangement B).

Add \$30 per cart for 8" casters.

Add \$15 for bottom drain valve, please specify if you want bottom drain holes omitted.

Add \$25 for hand holes.

Lid and front door are black.

*Colors available are listed at bottom of page. For recycled polymer—deduct \$50 from above prices.

72S Series
34 bushel capacity

Shown with top lid and front door open

101P ROUNDTRIPPER WITH PLASTIC NON-REMOVABLE SHELVES

37 Bushel Capacity, Yet Ideal for Narrow Spaces

The **all new 101P** is the most modern **ROUNDTRIPPER** cart available in the industry today. It features a breakthrough shelf conversion system that enables **one person** to switch the shelves from its horizontal clean linen delivery position to its vertical soiled linen return position **WITHOUT** removing the shelves. Since this truck is narrow (only 24" wide), it can fit up to four across in many trailers. The all plastic 101P is molded as a single unit, meaning there are no welds and no metal to weaken or rust over time. **Also available—102P with 600 lb. capacity available at \$925 per unit.**

Additional features are:

- Payloads up to 800 lbs.
- Weatherproof (optional covers, too)
- Industrial grade 6" rubber casters (8" also available)
- Costs less than metal carts
- In addition to our traditional colors listed below, the 101P is available in Sandstone or Gray Granite
- 46 cubic foot capacity: (37 bushel) 60 1/2" L x 24" W x 63 1/2" Deep x 71 1/4" Overall Height

Virgin Polymer—\$975 per cart

Clever hinge converts shelves to vertical, solid return position in seconds.

Please specify 4 swivel 6" casters (arrangement A) or 2 swivel/2 rigid 6" casters (arrangement B).

*Colors available: Pink, Wine, Red, Powder Blue, Cadet Blue, Brilliant Orange, Beige, Chocolate Brown, Lime Green, Jade Green, Royal Blue, Purple, Brite Lemon, Forest Green, Honey Gold, Metallic Silver (Gray), Black

When ordering any of the above items, please specify if you want hand holes and/or drain holes.

SECURITY LINEN EXCHANGE TRUCK

Self-Storing Roll-Top Door

Roll-Top Security Truck Model #640001S

- **Pilfer-Proof.** Secure containment prevents pilferage; lowers replacement costs. Patented white roll-top tambour door is self-storing; no hinges to interfere with storage and transport, even when open.
- **No More Cart Covers.** Goods stay sanitary and secure under the strong roll-top tambour door—made from the same durable polymers that resist weather and cracking in vinyl windows.
- **Lockable.** Rugged hardened steel hasp can lock door tight. Hidden metal reinforcements add strength and security.
- **Adjustable shelving.** Chrome-plated, heavy-duty wire or solid stainless steel; as many as needed, where needed.
- **Durability.** Seamless, one-piece, molded heavy-duty polyethylene; resists cracking and breaking. Industrial strength, non-marring 8" casters and steel base. Secure, rugged and adaptable.

Lockable steel hasp can lock door tight.

Model	Capacity	Outside Dimensions			Overall Height	Casters	Shipping Weight
		L	W	Depth			
640001S	48 cu. ft.	50"	29"	59"	69"	8"	200 lbs.

ALUMINUM LINEN SERVICE TRUCKS WITH DOORS OR FABRIC CLOSURE

Our aluminum carts are durable, yet lightweight. Ideal for use in hospitals, nursing homes, hospices, clinics, and other facilities where ample storage space, cleanliness and economy are important.

Sturdy, one-piece bodies—of airplane riveted 14-gauge aluminum sheet, with continuous door hinges. A continuous non-marking rubber bumper at the cart bottom is standard on all four sides of all carts. Double hinged doors open 270 degrees as shown below to provide easy access.

Flap closures are made of vinyl-coated fabric, highly resistant to abrasion and fire, with Velcro closure. Durable clear lacquer finish for long-lasting beauty and easy cleaning. Handles recessed at both ends to protect walls.

Microban® Shelving units cost less than Stainless Steel with many of the same benefits!

MICROBAN® SHELVING UNITS

Two units joined together to save money shown above. See page 56 for details.

Adjustable sturdy epoxy coated wire shelving constructed with Microban® antimicrobial product protection

Protects against:

- Corrosion
- Bacteria
- Mold
- Mildew
- Fungi that cause odors, stains and product deterioration.

Use in areas such as food service, linen supply, housekeeping, or anywhere a sterile environment is needed.

- Easy to clean polymer shelf mats.

It's Easy to Adjust Shelves!

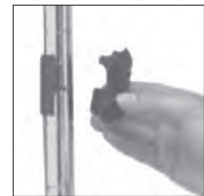

Lift the release at each corner to adjust shelf at 1" increments.

See previous page for complete description of adjustable features.

Money Saving Idea

Expand your existing shelving by adding on additional shelves to existing unit. Using "S" hooks to attach—saves two posts. To compute costs, use the unit pricing for the size you need and deduct 5% for the posts not needed. S hooks included.

TERMS: 2% ten days, net 30, F.O.B. Factory. We prepay shipping and add to invoice.

STAINLESS STEEL HEAVY DUTY MULTI-PURPOSE TABLES

30 and 36 inches wide

Multi-Purpose Tables

Built for cleanliness and stability.

- Seamless 14-gauge stainless steel work surface and support structure.
- Shipped knocked down and can be assembled in minutes without tools.
- Accessories available include stainless steel drawers, stainless steel keyboard trays and swing arm for computer monitor.

All tables are 34" high and come with stationary posts and leveling feet and choice of bottom shelf, 3-sided frame or H-frame.

Please measure doors and areas carefully before ordering as all returns are subject to a 25% restocking fee, plus freight charges incurred.

SUPER HEAVY DUTY DUNNAGE RACKS

Mobile Dunnage Racks (Heavy Duty)

These easy-to-manuever racks feature two swivel and two swivel/brake casters; with non-marking 5" polyurethane tread casters.

- Support frames: 1" square tubing.
- Removable wire mat: 5/16" diameter wire.

All Dunnage Racks also available in anti-microbial material!

Mobile Dunnage Rack

Width/Length (in.)	Pkd. Wt. (lbs.)	Cat. No. Chrome	Price Each	Cat. No. Stainless	Price Each
18 x 36	42	MHP33C	\$370.00	MHP33S	\$645.00
18 x 48	50	MHP35C	405.00	MHP35S	760.00
24 x 36	48	MHP53C	380.00	MHP53S	685.00
24 x 48	54	MHP55C	415.00	MHP55S	810.00

Maximum distributed static load capacity is 800 lbs.

Note: These units are designed for only the 5HP and 5HPB casters, which are shipped assembled with the special posts.

HD Super Duty Dunnage Racks

Stores more than a ton safely off the floor.

- 48" rack has a 3,000 pound static load capacity (uniformly distributed); 60" rack carries up to 2,400 pounds.
- HD Super design features fast, secure assembly without tools.
- Posts of 1 5/8" diameter provide greater rigidity.
- HD Super™ Dunnage Racks are 16 1/4" high including cap and leveling bolt.

Buy 2 or more and take 5% off.

HD Super Dunnage Rack

Width/Length (in.)	Pkd. Wt. (lbs.)	Cat. No. Chrome	Price Each	Cat. No. Stainless	Price Each
18 x 48	52	HDP35C	\$395.00	HDP35S	\$795.00
18 x 60	62	HDP36C	455.00	HDP36S	925.00
24 x 48	57	HDP55C	420.00	HDP55S	860.00
24 x 60	66	HDP56C	475.00	HDP56S	995.00

Maximum capacity 2,400 pounds uniformly distributed static load on the 60" length racks; 3,000 pounds on the 48" length racks. **Note:** Capacity will be reduced and the unit will become less stable if the 3-sided frame is mounted higher than 6" from the floor.

HD Super Duty Dunnage Shelves

- 48" rack has a 3,000 pound static load capacity (uniformly distributed); 60" rack carries up to 2,400 pounds. H.D. 1 5/8" posts.
- Removable wire deck (5/16" diameter wire) lifts off for easy cleaning.
- Support frames: 1 1/2" square tubing. Removable deck.

Dunnage shelves can replace standard shelves for extremely heavy loads. Refer to storage shelving, pages 55-56.

Width/Length (in.)	Pkd. Wt. (lbs.)	Cat. No. Chrome	Price Each	Cat. No. Stainless	Price Each
18 x 48	35	1848HDRC	\$265.00	1848HDRS	\$590.00
18 x 60	43	1860HDRC	315.00	1860HDRS	695.00
24 x 48	38	2448HDRC	285.00	2448HDRS	640.00
24 x 60	47	2460HDRC	335.00	2460HDRS	760.00

Important: In stationary shelving, stability decreases as the ratio of height to width increases and when heavier loads are placed on upper shelves. Keep units as wide and low as possible, using the dunnage shelf as the bottom shelf. If two dunnage shelves are being used, both should be placed within the lower half of the unit.

STANDARD AND HEAVY DUTY DUNNAGE RACKS

Dunnage Platforms (Standard Duty)

Space-saving platforms let you keep bulky items off the floor.

- Open wire provides air circulation and minimizes dust.
- All platforms use 13P or 13PS posts — height 14⁵/₈" including mat, cap and leveling bolt.

Width/Length (in.)	Pkd. Wt. (lbs.)	Cat. No. Chrome	Price Each	Cat. No. Stainless	Price Each

24 x 48	42	HP55C*	220.00	HP55S*	595.00

Dunnage Rack with Mat

Note: Maximum distributed static load capacity for stationary dunnage racks is 1,600 lbs., except on units marked * which have a 1,300 lb. capacity.

Dunnage Shelves (Heavy Duty)

Enhance the weight-bearing capacity of your system.

- 36" shelf holds 1,600 pounds (uniformly distributed); 48" shelves carry up to 1,300 pounds; 60" shelves bear up to 1,000 pounds.
- Removable wire mat: 5/16" diameter wire.
- Support frames: 1" square tubing lifts off for easy cleaning.

Width/Length (in.)	Pkd. Wt. (lbs.)	Cat. No. Chrome	Price Each	Cat. No. Stainless	Price Each
18 x 24	14	1824DRC	\$100.00		
18 x 30	18	1830DRC	110.00		
18 x 36	21	1836DRC	115.00	1836DRS	\$320.00

24 x 48	30	2448DRC	140.00	2448DRS	425.00
24 x 60	37	2460DRC	165.00	2460DRS	505.00

Dunnage shelves can replace standard shelves for extremely heavy loads.

Refer to storage shelving, pages 55-56.

Dunnage Shelf

Important: In stationary shelving, stability decreases as the ratio of height to width increases and when heavier loads are placed on upper shelves. Shelving stability is attained by keeping units as wide and low as possible, and placing heavy loads low on the shelving unit.

Please place us on your bid list for all products featured in this catalog or any housekeeping or laundry/linen products you use.

SHELVING ACCESSORIES TO ORGANIZE LINEN AND SUPPLIES

Bins

Convenient way to organize and identify small items.

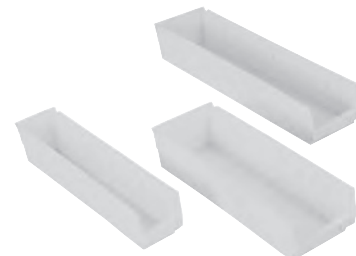

- Hopper-front design allows for easy access and clear visibility.
- Lightweight, durable polypropylene and polyethylene bins have molded front slots to accept labels.

Shelf Bins — Nesting

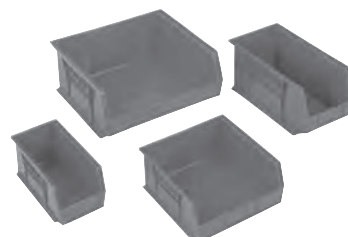

These bins are sized to work on the two most popular shelf widths 18" and 24" for efficient handling and exchange.

Outside Dimensions Width/Length/Height (inches)	Approx. Pkd. Wt./Ctn. (lbs.)	Bin		Bin Color	Bin Cat. No.	Price Each	Divider Cat. No.	Divider Carton Quantity	Price Per Carton
		Carton Quantity	Color						
11 ⁵ / ₈ x 4 ¹ / ₈ x 4	9	24	Yellow	MB30120Y	\$ 4.00	MB40120	24	\$18.50	
11 ⁵ / ₈ x 6 ¹ / ₈ x 4	7	12	Yellow	MB30130Y	5.00	MB40130	24	23.00	
17 ¹ / ₈ x 4 ¹ / ₈ x 4	7	12	Yellow	MB30128Y	5.25	MB40120	24	18.50	
17 ¹ / ₈ x 6 ⁵ / ₈ x 4	9	12	Yellow	MB30138Y	7.50	MB40130	24	23.00

HOUSEKEEPING AND MAID CARTS

HOUSEKEEPING CART

This versatile cart can carry everything you need to service 10-12 rooms. The 6" deep top tray helps prevent accidental spills of cleaning supplies. Complete with large collection bag, 10" casters to move easily over bumps and tracks and rubber bumpers on all corners to protect walls and furniture.

Locking doors optional—see M-Door pricing at bottom of page.

COMPACTS

Designed for economy. Sturdy enough for the toughest job. The compact size, easy storage and maneuverability make this cart perfect for smaller jobs and emergencies.

Locking doors optional—see JC and JCS-Door pricing at bottom of page.

- Quiet, 10" Casters, 2 Swivel, 2 Fixed
- Large Capacity Collection Bags Can Be Fitted to Both Ends

HOUSEKEEPING, RECYCLING AND MAID CARTS

Ideal for Hospitals, Nursing Homes, Hotels, and Cruise Ships

HOUSEKEEPING/MAID CART – 3 SHELVES

Model #3200 – Can easily service 15 rooms. Lightweight yet made of heavy-duty poly construction. Has three shelves (two are removable) and an interior capacity of 14.5 cubic feet. On top, a 5" deep recess top tray permits convenient handling of small or tall items. Available with rugged vinyl bags for laundry and trash (priced separately). Rounded frames protect walls and people, and 8" casters ease movement. Options available are velcro-attached **Front Cover**, **Top Cover** and detachable **Hood** which provide additional protection from spillage, pilferage, and exposure to the elements.

Model #3200

Bags must be ordered separately.

MODEL #3200

Colors: Red, Royal Blue, Cadet Blue, Beige, Silver Gray, Forest Green, Jade Green, Brown, White, Black.

Casters: Specify 2 Swivel/2 Rigid or 4 Swivel.

1-3	4 or more
\$575.00	\$565.00

Soiled Linen Bags (12" x 21" x 31")
\$30 each (Tan)

THE DEFENDERS® FOOT OPERATED STEP-ON CANS

Fire-safe steel with Uni-Koat® powder coated finish or #304 non-magnetic stainless steel construction. "No hands" foot pedal operation. Round models have galvanized steel liners and vinyl base rings for floor protection and reduction of noise. Square models have retainer bands that hold poly bags within the unit and are also available with a leakproof rigid plastic liner. Piano hinged lid mechanism protects walls and equipment. Steel legs feature nylon floor protectors.

Buy 8 or more receptacles and take an additional 5% off.

The Defenders medical step-on cans conform to OSHA standards on bloodborne pathogens for the safe containment of infectious waste and comply with OBRA Regulations. All models are UL Listed/Factory Mutual Systems Approved fire-safe/self-extinguishing and California State Fire Marshall Listed (except ST3.5 PL). All models are also manufactured of at least 30% recycled steel.

When "Quiet" operation is crucial, Silent Defenders are the solution.

The **NEW** Quiet Close design is available on all square Defenders® Step-On Can models with the same great features, benefits and durability.

PLASTIC RECEPTACLES AND ACCESSORIES

Gator Container & Accessories

- Gator containers meet and surpass all other heavy duty plastic containers in every category.
- Molded with highest quality polyethylene resin.
- One piece molded construction creates high impact and crush resistance.
- With its lock down lid, the container is animal and spill resistant, lid stays on even if container is tipped over.
- Offset ridge design allows container to nest without jamming.
- Gator handles have a larger radius and deeper well, making the container more comfortable to lift and move.
- Colors as indicated.

Gator Caddy

- Water resistant.
- Caddy aprons around container.
- Nine pouches for cleaning supplies.
- Fits 32 and 44 gallon containers.

Gator Dolly

- Structural foam molded, extremely durable.
- Five 3" swivel casters, extremely stable.
- Securely attaches to 20, 32, 44, and 55 gallon Gators.
- Gator dolly fits competitors' containers.
- Only dolly with vents to keep from suctioning to container.

Thin Bin

High capacity container designed for tight places.

- 23 gal. capacity.
- Convenient ergonomic designed handles.
- Recessed hand grips molded into bottom for easy emptying.
- Textured finish outside for attractive, commercial look.
- Smooth inside surface for easy cleaning.
- Constructed of durable polyethylene blend.

STANDARD IV STAND

Buy 3 or more and take 10% off!

Model 1000D Standard Stainless Steel IV Stand

\$290.00 with 3" Deluxe Casters.

We constructed our stainless steel pole with your heaviest duties in mind. They are stackable for tight storage areas and trainable for ease of multiple transport.

The stand's self-flushing design drains fluids, making it perfect for automated cleaning and decontaminating.

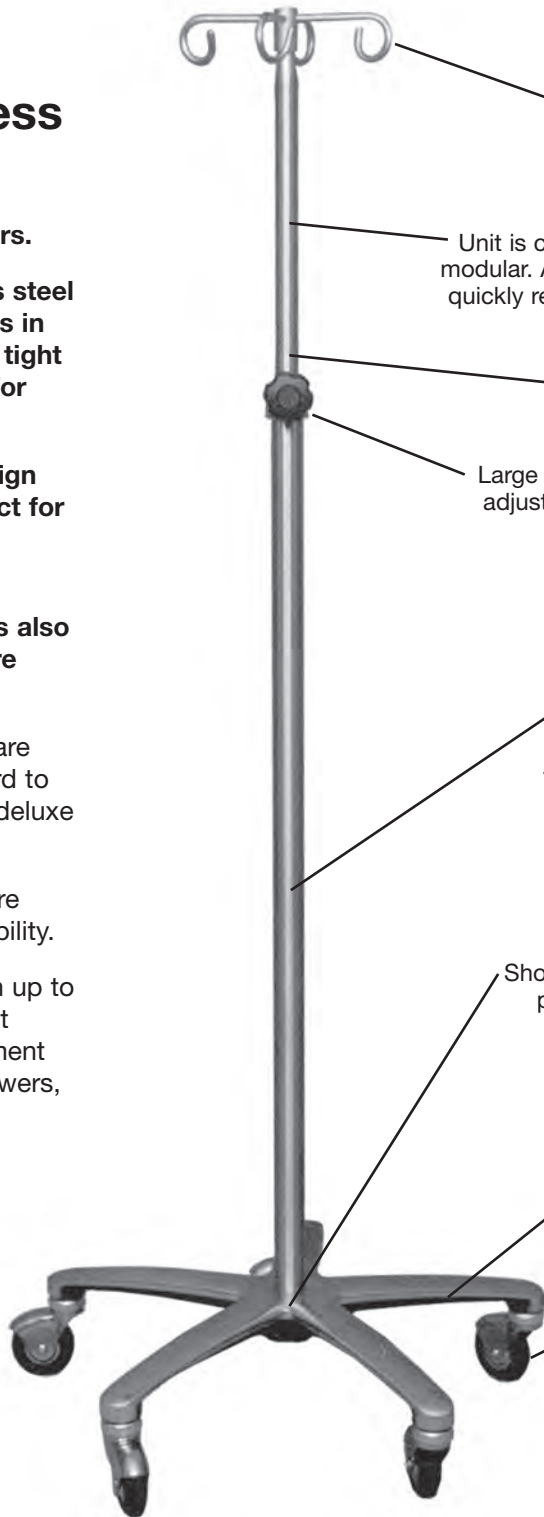

An MRI-compatible version is also available. Contact us for more details.

CASTER SIZES: 2-5" casters are available, ranging from standard to full-locking, maintenance-free deluxe options.

WEIGHT: 25-100 lb. weights are available to give additional stability.

ACCESSORIES: Available with up to twelve Bag Hooks. Also Patient Rings, Sharps Holders, Equipment Baskets, Shelves, Locking Drawers, Power Strips, O₂ Holders, and Stenciling are available.

We're proud to say this is the finest IV Pole the market has to offer!

Equipped with the strongest bag hooks in the industry.

Unit is completely modular. All parts are quickly replaceable.

Can be raised up to 92 inches tall.

Large knurled knob is easy to adjust, even with wet hands.

Stand is made from the highest quality **stainless steel** and is self-draining.

Shock-absorbing feature allows pole to be lowered safely.

All surfaces are curved to shed liquids and ease cleaning.

Multiple grades of casters are available, including maintenance-free and full locking designs.

We are so confident these are the finest IV Poles on the market today, that we will send you one for a 30 day no obligation evaluation. If you are not satisfied, you can return the IV Pole in its original carton and we will invoice you for the original shipping costs only.

SURGICAL/OPERATING ROOM IV STAND

Model 1000D-OR Surgical O.R. IV Stainless Steel Stand

\$445.00 with 3" Deluxe Casters and 25 lb. weight included.

We created this Surgical O.R. Stand to surpass the stringent standards that the operating room demands.

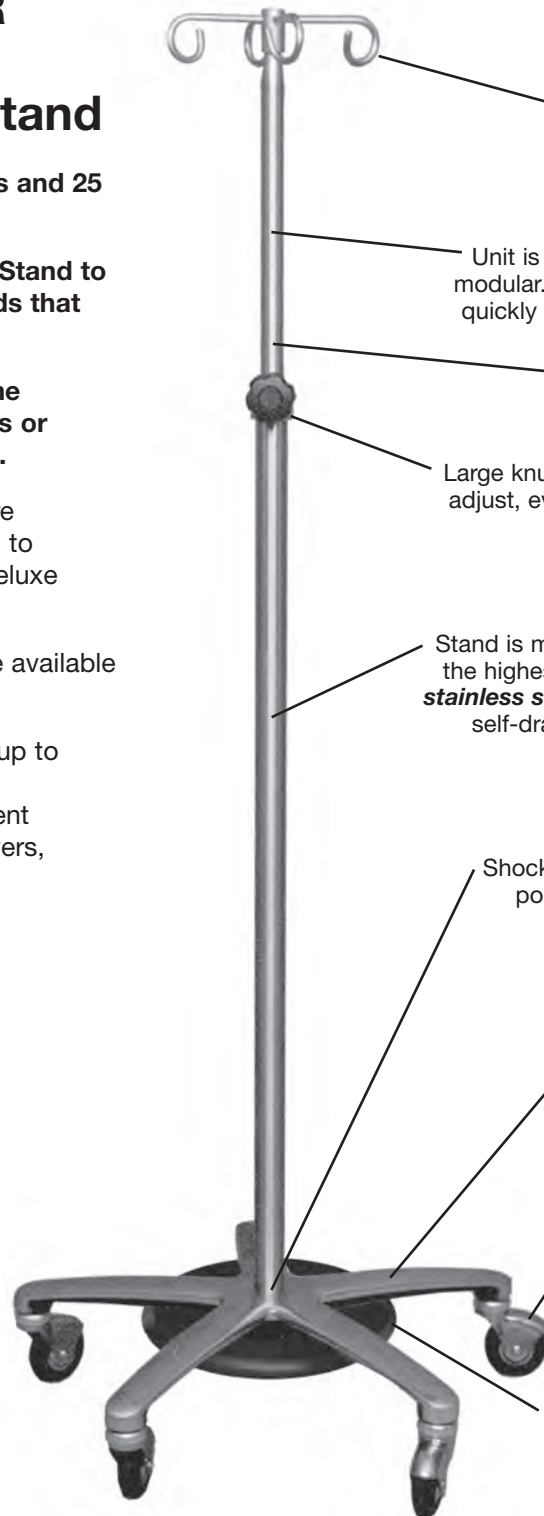

Its superior design provides the strength to support slung arms or legs in orthopedic procedures.

CASTER SIZES: 2-5" casters are available, ranging from standard to full-locking, maintenance-free deluxe options.

WEIGHT: 25-100 lb. weights are available to give additional stability.

ACCESSORIES: Available with up to twelve Bag Hooks. Also Patient Rings, Sharps Holders, Equipment Baskets, Shelves, Locking Drawers, Power Strips, O₂ Holders, and Stenciling are available.

This stand is stronger than any unit you've ever seen. We're proud to say this is the best stand the market has to offer!

2000C IV STAND WITH POWERSTRIP

Model 2000C Custom O.R. IV Stainless Steel Stand

Buy 3 or more and take 10% off!

\$499.00 with 3" Deluxe Casters and 25 lb. weight included.

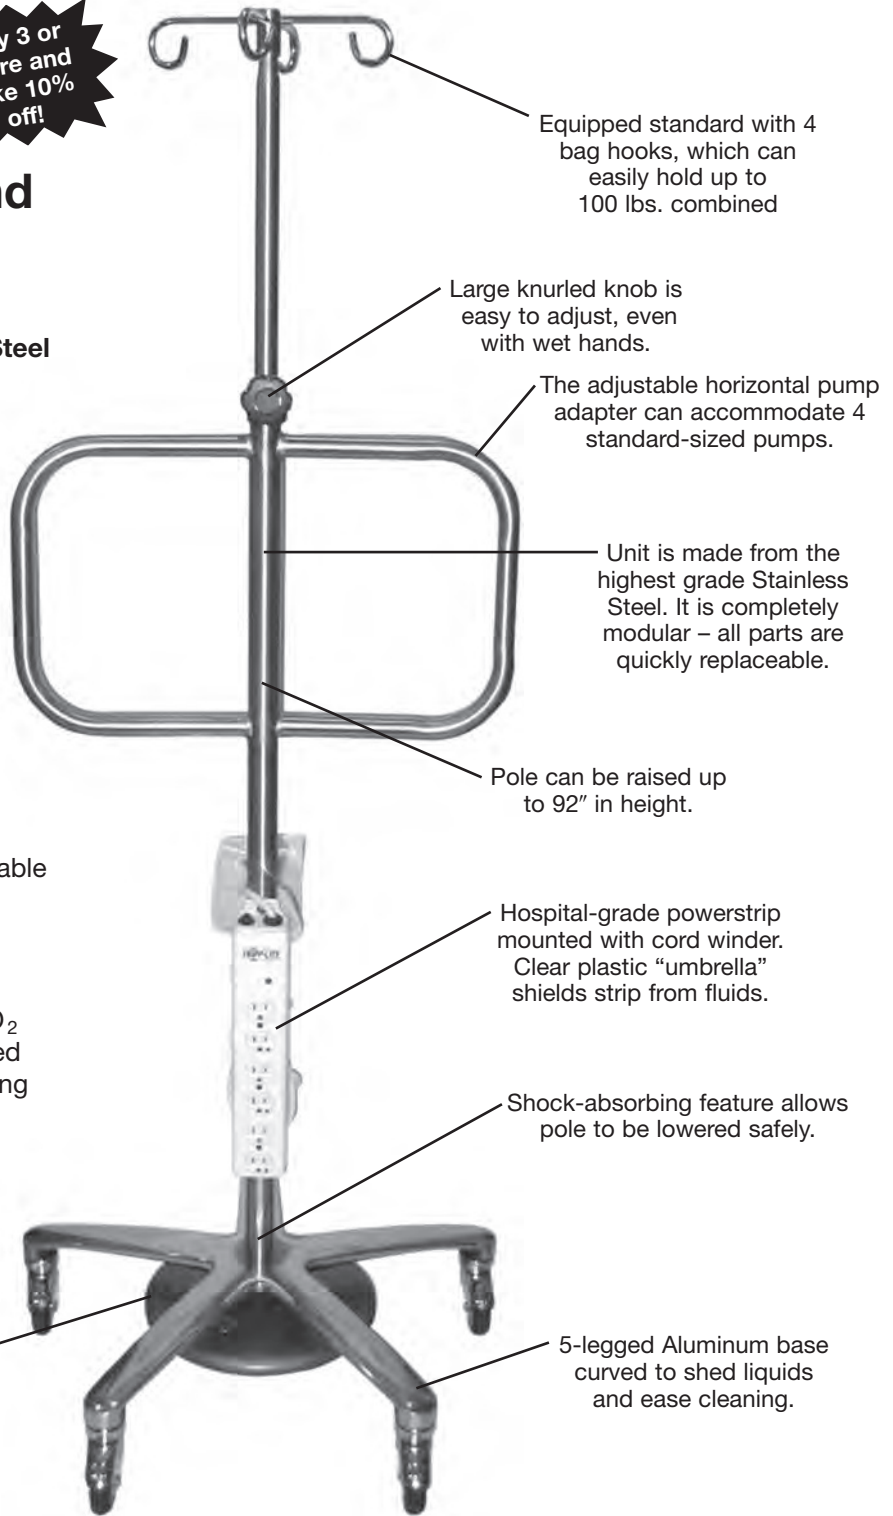

We created this Custom Stainless Steel Stand to surpass the stringent standards that today's hospitals demand.

Its superior design provides the strength and resilience that – even when loaded up with multiple pumps, bags and accessories – provides a stable platform that is effortless to work with.

CASTER SIZES: 2-5" casters are available, ranging from standard to full-locking, maintenance-free deluxe options.

WEIGHT: 25-100 lb. weights are available to give additional stability.

OPTIONAL ACCESSORIES: Patient Rings, Sharps Holders, Equipment Baskets, Shelves, Locking Drawers, O₂ Holders, and Identification (color-coded illumination) and Identification Stenciling are available.

Equipped standard with 4 bag hooks, which can easily hold up to 100 lbs. combined

Large knurled knob is easy to adjust, even with wet hands.

The adjustable horizontal pump adapter can accommodate 4 standard-sized pumps.

Unit is made from the highest grade Stainless Steel. It is completely modular – all parts are quickly replaceable.

Pole can be raised up to 92" in height.

Hospital-grade powerstrip mounted with cord winder. Clear plastic "umbrella" shields strip from fluids.

Shock-absorbing feature allows pole to be lowered safely.

A 25-100 lb. weight mounted below the base provides additional stability for multiple pumps.

5-legged Aluminum base curved to shed liquids and ease cleaning.

We are so confident these are the finest IV Poles on the market today, that we will send you one for a 30 day no obligation evaluation. If you are not satisfied, you can return the IV Pole in its original carton and we will invoice you for the original shipping costs only.

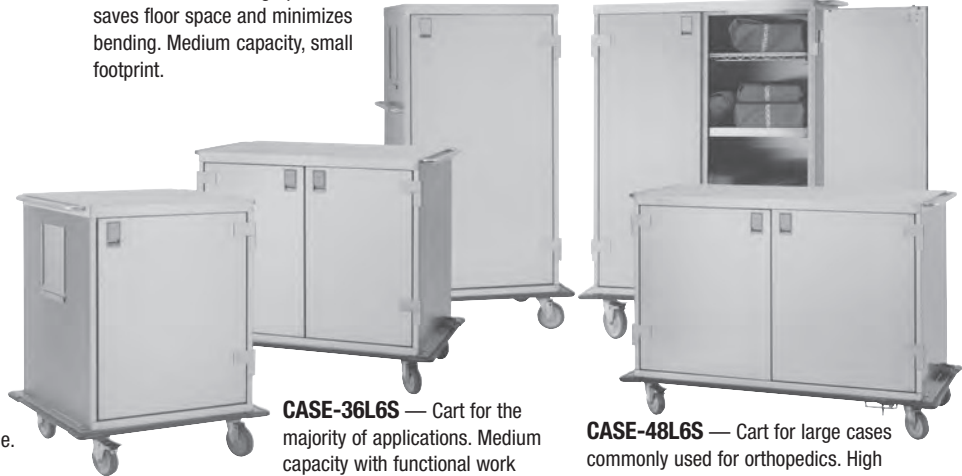

STAINLESS STEEL CLOSED CASE CARTS

Case Carts

The functional design of our Case Carts maximizes usable inside storage space and provides superior maneuverability. Carts can be used wherever contents must be protected from an “unclean” environment, including free-standing ambulatory care centers, surgi-centers and hospital based/outpatient surgeries. Shelves sold separately (below).

CASE-24L6S — Cart is space efficient and can be used for minor surgery, labor and delivery and outpatient procedures. Low capacity with functional work surface.

CASE-24H6S — High profile cart saves floor space and minimizes bending. Medium capacity, small footprint.

CASE-36L6S — Cart for the majority of applications. Medium capacity with functional work surface.

CASE-48L6S — Cart for large cases commonly used for orthopedics. High capacity with functional work surface.

CASE-36H6S — Cart for large or multiple cases, commonly used for orthopedics. High capacity, moderate footprint. Shown with optional shelves.

Shelf weight capacity is 150 lbs. evenly distributed.

Optional wire roller shelf, pulls out halfway, easily and quietly, even at the bottom level where accessibility is vital.

Ergonomic full length handles (on both sides of the low-profile carts) allow for convenience in pushing or pulling from either end and provide better cart control.

Detachable brackets remove for faster and easier cleaning and drying. Brackets, which hold shelves, attach and detach quickly from “keyhole” slots for easy shelf adjustability at 2" increments.

Double panel door provides optimum strength. Recessed latch eliminates a catch point. Two-door models have a center flange to stop splashes from entering cart.

Stainless Steel Caster Specially designed stainless steel casters provide easy maneuverability even through frequent cart washings. It features long wearing, shock absorbing, polyurethane tread.

Note: Two swivel casters and two swivel casters with brake are standard on the 24" and 36" length models. The 48" model comes standard with one brake, one swivel-lock and two swivel casters. Brakes and swivel locks are conveniently located to be activated.

Please share our catalog with other departments throughout your facility who may be interested in our products. We would be happy to send another catalog upon request.

BED BUG & DUST MITE PROTECTION FOR MATTRESSES AND PILLOWS

BED BUGS . . . every day you read about them in the newspaper or watch a story about them on the nightly news . . . it's a growing epidemic across the country . . .

Latest Products is very pleased to announce our complete line of *bed bug protection!*

Our products are already in use by many prominent national hospitals, nursing homes, correctional facilities, hotels/motels, and colleges across the country.

Some of the features and benefits of our products are:

- Certified Bedbug Proof with the patented BugStop® Closure
- Waterproof
- Brushed silk finish
- Treated with an anti-microbial, which inhibits the growth of mold, mildew, fungi and odor causing bacteria
- Fire retardant
- Will not crack to -15°F
- Zippered covers (recommended for maximum protection) have rust-proof polyester zippers
- Electronically sealed seams
- Special sizes available upon request including 16" deep products
- Sold in case packs only

Our Satisfied Customers Say...

"I was one of Latest Product's first customers way back in 1972. I was satisfied then, and am a satisfied customer now, 40 years later!"
-B.W., New York, NY

"During these days of budget cut backs, we can always count on Latest Products to save us money. Enclosed is our newest order for hamperstands, laundry bags and linen carts."
-J.P., Atlanta, GA

"No company provides better customer service than LP! I have recommended your products to other departments and they are just as pleased. You Are The Best!"
-A.J., San Diego, CA

"We had a surprise Joint Commission inspection last year. We needed cart covers & laundry bags in a hurry. As always, LP. came through and on very short notice. Thank you LP."
-R.S., Milwaukee, WI
