LAUNDRY/HAMPER BAGS

18" and 25"

STANDARD ROPELESS FLIP TOP BAG 18" OR 25"

- Straight or round bottoms available
- Flip top features:
 - Built in pocket handles at bottom
 - Turn tabs under hood for easy closings
 - Ropeless, flips closed just like a sandwich bag
 - All stress points reinforced
 - Elastic in hem

COTTON DUCK

- 100% natural cotton, strong and durable. Not pre-shrunk.
- Not recommended for wet linen. Will not rot or mildew if left wet.
- Color available: Natural. Color coded striping also available.

COTTON/POLYESTER BLEND

- A combined fiber that provides the toughness of polyester and strength of cotton duck.
- Dries quicker than cotton duck. Not pre-shrunk.
- Colors available: Natural, Burgundy, Hunter Green, and Navy.

200 DENIER NYLON

- 100% nylon pre-shrunk—lightweight requiring minimal drying time.
- Colors available: Red, Pink, Navy Blue, Royal Blue, Powder Blue, Hunter Green, Kelly Green, Orange, Yellow, White, Black, Burgundy, Brown, Teal and Purple.
- 400 denier nylon also available.

IMPERVIOUS VINYL LAUNDRY BAGS

- 100% leakproof. Seamless bottom, electronically sealed side seams to prevent leakage.
- Colors available: White, Blue, Yellow, Green, Pink.
- Electronic sealing is a heat sealing process which will prevent liquids from leaking. This process is now done on all impervious vinyl laundry bags.

BARRIER 100% POLYESTER FLUID RESISTANT LAUNDRY BAGS

- High density construction. Water repellent coating.
- Colors available: White, Yellow, Blue, Green.
- Fluid resistant bags are used to comply with OSHA's regulation which states: "Whenever contaminated laundry is wet and presents a reasonable likelihood of strike-through or leakage from the bag or container the laundry shall be placed and transported in bags or containers which prevent soak-through and leakage of fluids to the exterior."

No representation is made that laundry bags will provide complete protection from exposure to contaminants or will eliminate the risk of contracting infectious diseases.

DRAWCORD BAG 18" OR 25"

- Straight or round bottoms available
- Drawcord features:
 - Bags have drawcord and Sliplock closure

CART COVERS

Full Flaps, Reinforced Corners, Double Needle Construction

Use on Linen Exchange Carts-Laundry Trucks to keep linen clean.
 Use on Central Supply-Lab-Medicine Carts to ensure sterility.
 Use on Bulk Delivery-Turnabout-Food Transport Carts and any other cart which needs a cover.
 Also ideal for covering shelving units and medical equipment.

Choice of Heavy Duty Zippers or Velcro Closure

STANDARD CART COVER

200 Denier Nylon

200 Denier nylon is a lightweight fabric used mostly in low impact applications such as storage and non-transporting carts. This fabric is both economical and consistent. Washable.

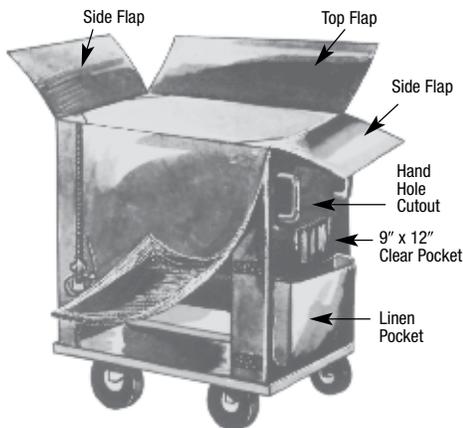

420 Denier Nylon

420 Denier nylon is our most popular fabric for cart and shelving covers. This medium weight fabric is easy to handle, provides excellent durability, and represents a great value all around. Washable.

1000 Denier Nylon

1000 Denier cordura nylon is used for the highest impact applications such as linen transportation carts. This rugged, heavy weight fabric is similar to that used for luggage and backpacks. Washable.

CUSTOM EXTRAS

13 Ounce Reinforced Vinyl

13 ounce vinyl fabric is most commonly used for industrial applications. This flame-retardant, OSHA approved medium weight fabric is easy to handle. Wipes clean.

#30 Easy-Grab Vinyl

Our Easy-Grab has revolutionized cart covers. With a slitted, see-through clear vinyl front, there is no need to lift a front flap. Just reach in and grab the cart or shelving unit contents such as linen, medicine or supplies. The replaceable vinyl slats wipe clean. The top, back and sides of the cover are made with your choice of 420 denier nylon, 13 ounce vinyl or #20 Staphcheck.

#20 Staphcheck

Staphcheck vinyl fabric is most commonly used in the health care industry. This is an anti-bacterial, flame-retardant, OSHA approved fabric. This medium weight fabric is easy to handle. Wipes clean.

#10 Gauge Clear See-Through Vinyl

Cover has a completely see-through front, back and sides. Wipes clean.

#30 Easy-Grab Cart Cover

Easy viewing and easy access to cart contents through clear front vinyl slats.

CART COVERS

All cart covers are manufactured to your specifications

Did you know that Latest Products Corporation is one of the nation's largest suppliers of cart covers and shelving covers? All of our covers are custom designed to your specifications. We use reinforced corners on all covers to withstand wear and tear, and utilize either reinforced Velcro or heavy duty zippers to provide a more secure closure.

HEAT SEALING MACHINES

For Applying All Types of Patches and Heat Dye Transfers.
Introducing a full line of heat seal machines.

DK8 6x8 Label Press Clamshell

THE DK8 LABEL PRESS

This unit is a 6x8 small platen heat press. It is a heavy duty clamshell design, for label printing and small transfer and applique sealing. If your image area is less than 8 inches and you need to isolate an area of garment or bag, the tall pedestal on the DK8 allows for precise location. Pockets, collars, socks, sleeves and similar areas are easy to press without flattening parts of the garment that should not be pressed. The included interchangeable tables allow for isolation of the pressing area down to 3x3 inches.

Features:

- Fully digital temperature control: 32° - 600°F range
- Automatic digital timer and dual pre-press timer
- 70 programmable presets
- Hardened high-strength pivot points
- Solid steel framework
- 6x8, 3x5, 3x3 interchangeable tables included
- Temperature readout accuracy +/- 2° F; can show °C or °F
- Self lifting gas-spring, and wide opening
- User selectable end-of-cycle alarms
- Records number of pressing cycles done
- Teflon-coated 3/4" thick heat platen
- Lifetime warranty on heat platen
- 5-year warranty on frame
- 3-year warranty on controller
- 1-year warranty on parts

WEIGHT: 65 Lbs.

ELECTRICAL: 600W / 5A / 110V

DIMENSIONS: 19"L x 12"W x 18"H

Price: \$695.00

DC8 HEAVY DUTY SWING-AWAY HEAT PRESS

This unit has a swing-away top to allow for easy placement of garments on bottom platen. Suited for label printing, applying labels to garments, embroidered patches and all small pressing needs.

Features:

- Fully digital temperature control: 32° - 600°F range
- Automatic digital timer and dual pre-press timer
- Digital pressure bar graph
- Interchangeable heat platens and tables
- Solid steel welded framework
- Super Coil-Microwinding™ heater technology
- Temperature readout accuracy +/- 2° F; can show °C or °F
- Accommodates material up to 1" thick
- 70 programmable presets
- Records number of pressing cycles done
- Teflon-coated 3/4" thick heat platen

(add \$35.00 for 220V international)

DC8AP Air Operated Automatic 6"x8" Swing-Away

THE DC8AP AIR OPERATED AUTOMATIC SWING-AWAY HEAT PRESS

The DC8AP is an air operated, automatic 6x8 label sized swing-away heat press with interchangeable heat platens and tables. The smooth automatic pressing and push button activation provide a productive fatigue-free operation. Ideally suited for label printing, applying labels to garments, embroidered patches and any small pressing needs.

Also available are optional configurations for the DC8AP. This press functions well with bottom heat for pressing thicker embroidered patches/appliqués and other products needing heat from the backside of the material.

Features:

- Automatic air operated pressing
- And all other features as listed above

AIR COMPRESSOR REQUIRED

HEAT DYE TRANSFERS

This is the easiest, most inexpensive method of marking and identifying linen and garments.

KAUMOGRAPHS TO MARK LINEN AND GOWNS

Our **HEAT DYE TRANSFERS** are easily applied with 3 to 5 seconds of heat from any heat sealing machine. Once applied, they will withstand multiple launderings and deter pilferage greatly.

We can supply you with the logo and message you want, in the shape, color and wording of your choice.

Pricing is per square inch of transfer. To find square inches, please multiply length and width of your design or transfer.

SECURITY BULK DELIVERY/PICK-UP TRUCK WITH ROUNDED CORNERS

Ideal for Delivering Clean Linen and Pick-Up of Soiled Linen or Other Waste

Our newest security bulk delivery/pick-up truck, the 72S/SSL6 with rounded corners and larger inner ribs, combined with a recessed front door and top lid is especially suited for commercial laundries. This new ergonomically designed model has superior strength, durability, versatility, and security. It has an all new lockable, rotationally molded roof and front cover to prevent theft. The cart is leakproof so it may be transported and left outside. Ideal for commercial laundries, hospitals, nursing homes, resorts, health clubs, and the food industry.

Additional features are:

- Ergonomic cutaway design speeds loading and unloading
- Durable lid closure secures goods during transport and storage
- Rugged polyethylene construction resists bumps, scratches and scrapes
- Rotationally molded, full-perimeter, weatherproof poly base for strength and long life
- Large selection of industrial grade casters and arrangements (6" rubber standard)
- Optional tow hitches, brakes, hand holds are available
- 48 cubic foot capacity; 34 bushel capacity; 48" L x 28½" W x 59" Deep x 66½" Overall Height
